Getting started

You've joined and signed in—now what? Begin by completing your profile and telling us a little bit about yourself. Then start building healthier habits one day at a time. Here are a few options to help you get started.

Personalize your experience

Go to the **More** tab and discover the many ways you can customize your wellness program. Connect your activity tracker or another wellness app and set your topics of interest to make your experience focus in on what matters to you most.

Complete the Health Check

The Health Check asks questions about your current health status and wellness habits. Once completed, you'll see your health score, learn about possible health risks and get practical tips to help you maintain and improve your wellness. You'll find the survey under the **Health** tab.

Track your Healthy Habits

Healthy Habits offer you bite-sized ways to build a healthy routine and improve your wellness. Over time, these small steps add up to big changes that'll make you successful. Your Healthy Habits will be customized based on your Health Check results and the interests you set in your profile. Go to **Healthy Habits** to change up the habits you try over time.

Biometric screening

Get vital information about your overall health, including cholesterol, glucose, blood pressure and more. Complete your screening by visiting your physician and returning the completed Health Screening Form. Go to **Benefits > Biometric Screening Verified Form** to get more information today.

Sworakit

Improve your overall fitness and health with access to thousands of video-guided workouts, meditations and fitness plans. They're all available 24/7 and can be customized to fit your exact needs.

Rewards

You can earn up to \$75 in rewards each quarter, or \$300 per year, for participating in activities. Then redeem your Rewards Cash for gift cards or a charitable donation, or spend it in the online store on fitness accessories and more. Your Rewards Cash is yours to accumulate and redeem when you're ready, and it doesn't expire until the program is terminated by either the member or PEIA.
